

# State Management For React

(using Context and Hooks APIs)

Vlad Zelinski  
QCon London, 2019

# Redux anyone?

**Can we build some percentage  
of Redux with just React?**

# Context & Hooks APIs

**! 🤘 Coding time 🤘 !**

I created **simpply**

**simpply in action**

# simpply's strong points

# simpply's weak points

**Keep on smiling because you are  
the most beautiful people  
when you do.**

**Thank you!**
